DC Cop Arrested On Petty Theft Charge

Officer Richard Brohman, suspended Monday from the Daly City police department, was arrested this Thursday on a charge of stealing several quarts of oil from a local gas station on Sunday morning.

Brohman, 37, 96 Bel Mar avenue, is the same officer who was suspended from the department for 30 days on October 14 on a charge of drinking while on duty.

The officer appeared in municipal court Thursday morning with his attorney Anthony Quigley before a warrant for his arrest had been issued. When Brohman was unable to make bail of $500 cash or $1000 bond, he was booked on a petty theft charge at the local police station. He made bail of $500 cash at noon after being held in custody for about an hour.

Date For Plea

Judge Thomas L. Bocci set July 17 as date for plea.

RICHARD BROHMAN

Also under suspicion for the petty theft crime is Oliver Sass, 52, 8 Felton street, South San Francisco, of the Daly City Patrol service. Sass has been relieved of his duties by his employer, Henry

VANISHING BREED — Last of the hog ranches in northern San Mateo county are apparently on the way out, as the county health department has recommended against re-newing permits. Shown here in photo taken Friday is ranch just south of Westmoor High school site, which was granted extension of permit to operate last year because of delay in constructing school building. Extension of permit expired Sunday and the farms must cease operation. Existence of the farms constitute a "nuisance," according to the health department.

Carpenters Strike Looms Monday; Would Stop Work On $6,000,000 In DC Jobs

An eight-county carpenters strike looms Monday as labor-management negotiations, broken off earlier this week, appeared no nearer resumption.

Chester Bardellini, executive secretary of the Eight-County District of Carpenters, said if union demands were not met by midnight tonight (Friday), the Bay Area's 16,000 carpenters would strike Monday.

In Daly City, the strike would halt construction on more than $6,000,000 in residential, school and commercial buildings and would put some 700 carpenters out of work, as well as another 1000 craftsmen in allied fields.

Spokesman for Henry Doelger, the city's largest builder, said some $1,500,000 in Westlake residential construction would be tied up and from 125 to 150 carpenters would be idle. Normally, this figure would be higher, but the firm has kept its labor force at a minimum with the strike in prospect.

School Projects

School projects which would be curtailed include the $750,000 Benjamin Franklin elementary school addition and the $2,000,000 Westmore High, already several months behind schedule.

Several other contractors such as William Lagomarsino and Sherman Cornbloom would also face work stoppage on projects amounting to almost $1,000,000.

Lagomarsino has some 17 buildings under construction valued at about $200,000, while Cornbloom, developer of Sherman Heights in southern Daly City, is constructing 58 residences at an approximate value of $600,000.

When negotiations were broken off Monday, carpenters had withdrawn their request for a seven-hour day at eight hours compensation and had substituted a demand for a 15 cents hourly increase in take-home pay, plus 10 cents an hour for vacation fund.

Management, represented by the Associated Home Builders and Associated General Contractors, countered with a 12½ cent hourly increase, 10 cents of which would go for vacation pay. Management argues that the carpenters got their 10 cent hourly increase on May 1 and that this, coupled with the 12½ cent offer, practically meets union demands of 25 cents an hour total increase.

Say Justified

On other hand, union negotiators claim justification in the 25-cent hourly increase because they withdrew thir original demand for a seven-hour day. At this point, both sides refused to concede any further and negotiations have been

Donati Switches Plea To Guilty On Stamp Charge

Dino Donati of Daly City was sentenced yesterday in federal judge Edward Murphy's court to one year probation and $500 fine after switching his plea to guilty on charge of failure to purchase a federal wagering stamp.

Donati, 36-year-old pin ball machine distributor of 19 Castlemont drive, was scheduled to appear yesterday only to have date set for his trial.

But his attorney, James MacInnis, withdrew the not guilty plea on the tax stamp count and changed it to guilty, so the judge proceeded with sentencing. Four other counts charging Donati with failure to pay a 10 per cent tax on horse race wagers allegedly accepted by him over a four-month period were dismissed.

Donati surrendered himself to Daly City police on May 4 following a raid at the home of Frank and Marie Hammell, 1171 Brunswick street. Both the Hammels were arrested simultaneously the previous day in a simultaneous raid by federal authorities, district attorney's office and local police. Mrs. Hammel implicated Donati as the leader of a bookie operation and bookmaking charges against her were later dismissed as she had been granted court immunity for her testimony.

Hammel was convicted on the same federal tax stamp charge last month in Judge Murphy's court. He was sentenced to one year probation and warned that if ever convicted for accepting horse race bets again would be fined $10,000 and sent to prison for one year.

Miss DC Crowning Is Scheduled For Monday

Three applications for the Miss Daly City contest had been taken out by press time, according to Peter Markovich, Chamber of Commerce executive secretary. The contest will be held Monday night at 8 p.m. at the Westlake auditorium.

Girls wishing to enter the competition may still obtain applications at the Chamber office, 6454 Mission street, before 5 p.m. today (Friday).

Judges at the Miss Daly City contest will be Mrs. Pat Thurston of Stauffer Salon, Chamber President Jack Kendree and Paul Ward of THE RECORD.

The winner will be crowned by Kendree who will be assisted by Miss Janet Watson, 34 Westdale avenue, last year's title holder.

All candidates will be given modelling instruction by Mrs. Thurston and Judy Weld, Miss San Francisco who is a local resident. The winner will be awarded a trophy, a swimming suit and a free Stauffer course.

Contestants also will be honored at a Chamber of Commerce luncheon meeting on July 19 at the Lake Merced Golf and Country club.

Girls entering the competition must be single women between the ages of 16 and 26 and must live in Daly City or adjacent unincorporated areas. Eligibility rules include residence in San Mateo county for a period of one year.

Candidates must be available for publicity purposes between July 19 and August 11 and between August 29 to September 2. Winner of the local contest will be Daly City's entry in the county's Dream Girl competition, while the county's winner will enter the Maid of Cotton contest at the State Fair.

The public is invited to attend Monday's contest.

A lady posed this week for a picture showing First Western Bank in Westlake collecting Daly City water bills, a new service recently instituted.

The woman hopes her husband and his father don't see the photo.

Her spouse is an employee of Bank of America, while her father-in-law is a manager of a San Francisco B of A branch.

That sports car craze is taking its toll here.

JACK BAKER, former Broadmoor Property Owners association president, is putting around in a Porsche, while BUCK HANON, publicist for HENRY DOELGER, is navigating in a Mercedes-Benz.

Daly City merchants who park their autos in parking meter zones have lots of methods of remembering to feed the kitties.

Probably the most novel is the system used at a local cleaning establishment. The owner has an alarm clock set to go off every hour, and when the bell sounds, he replenishes the meter.

GUS SEBASTIANI of San Pedro Lunch has another method. He leaves pennies scattered around the bar and when he sets up a drink and clinks the coppers around, it reminds him about the also thirsty meters.

FRED H. DRAKE, former chairman of the San Mateo county highway commission, is sending letters hither and yon asking for support in his program to see that Junipero Serra boulevard is extended to Stanford.

DC BUDGET

'Big Trim' Is Still Underway

The city council lopped another $8000 off a record $1,229,414 budget Monday night. Coupled with cuts of some $13,000 in a special session Friday, the council has pared the budget a total of approximately $25,000, but still must reduce the figure another $27,000 to avoid a tax increase.

The council actually trimmed some $12,000 in items Monday, but granted increments in some departments so that the net reduction was about $8000.

Tentative cuts included: $1000 off of the $5000 for police vehicle maintenance; $2000 from the $6000 for volunteer firemen; $500 from city council's $3000 allocation for dues and meetings; $200 from the $1500 provided for legal printing; reduction of city attorney's pay from $6000 to $5000; $250 from the $1000 allocated for city advertising and promotion; $5000 for traffic signals (the money will be appropriated when needed from gas tax revenues); $2100 from civil defense's request of $3600.

Draws Ire

The civil defense cut drew severe criticism from Andrew Castle, secretary of the local civil disaster council, who finally stomped angrily out of the council study chambers, slamming the door as he left.

The council actually granted $900 more for current civil defense expenses, but eliminated a $3000 item for an air raid warning device, deeming that the present air horn could be used to sound alarm.

Castle demanded to know how each councilman stood on the elimination of the $3000 item, but Mayor Joseph Verducci declared this was unnecessary, stating, "There's no use making a personal issue out of this. You people should come to us with a definite program."

Castle ventured that within a month every member of the 14-man civil disaster council would resign because of the council's action.

As the budget now stands, a tax rate of $1.53½ cents per $100 valuation would have to be levied to bring in the necessary revenue. By chopping another $27,000 off the budget, the tax rate of $1.43 per $100 could be maintained.

May Go Up Again

But the budget may go up again if proposals by Councilman Micheal De Bernardi receive council approval. De Bernardi is asking that three more patrolmen be added to the police department, and four more firemen. This would increase the budget by approximately $28,000.

The council will meet with members of the personnel board Monday night to discuss proposed city employee salary increases that will also have to be considered in balacing the budget.

Junipero Serra Turned Over As State Highway

Junipero Serra boulevard between Crystal Springs road in San Bruno and Alemany boulevard in Daly City became a state highway yesterday by action of the state legislature at the last session.

But the state still must secure deed for that section of road within Daly City, which was turned over to the city by Joint Highway District 10. The highway district yesterday formally dissolved itself.

Actually, the district was dissolved and all assets and liabilities transferred to the state at the time the state legislature acted on the measure.

The right of way along this route, once necessary deeds are obtained, becomes state property and encroachments on the right of way are prohibited under state law, except where approved permits are issued.

Installations of any kind within this right of way are considered encroachments, according to B. W. Booker, assistant state highway engineer. Some of the usual types are excavations, fencing, planting, tanks, merchandise displays and loading platforms, Booker explained. Property owners along this route are being urged to apply at the division of highways, 150 Oak street, San Francisco, immediately for permits for installations existing or planned within the right of way.

Applications may also be secured from the division of highways field office, 1007 Bayshore boulevard, Burlingame.

City Manager's Pay 'Raised' To $13,000

City Manager Howard Stites salary was raised by the council Monday from $11,800 to $13,000, although he won't be receiving a nickel more than he's been paid the past year.

The council stepped up Stites salary $1200 to bring the total to $13,000, the pay agreed on when the manager was hired. Under the original agreement, the North San Mateo County Sanitation district was to pay the $1200, but a legal technicality prohibiting this was discovered.

During the past year the city has been paying Stites full salary.

3-MONTH-OLD INFANT FOUND DEAD IN CRIB

A three-month-old baby was found dead in his crib Monday morning. His parents, Mr. and Mrs. Floyd Michael, 342 Miriam street, were not at home when police responded to a neighbor's call.

Officer Charles Munday responded to the call at 10:43 a.m. when he found a fourteen-year-old baby sitter and two neighborhood women with the dead infant, Russell. Rigor mortis had already set in, according to Munday.

The baby's father later told police that he had left home at 9:30 a.m. that morning and that the infant appeared all right at that time. Munday said Michael had been drinking before his arrival home.

Mrs. Michael left the family residence at 9 p.m. the previous evening and was not contacted until later that day.

Announcement as to cause of death is still pending a report from the coroner. Case is being held open by police for investigation.

Funeral services were held Tuesday at W. C. Lasswell and company. Interment was at Golden Gate National cemetery.

School Clerk Says 'Outside Interests' Resulted In Ouster

Claim that she had been fired from her job as clerk at Westlake school because of her interest in raising curriculum standards in the local school district was levied by Mrs. Marie Sorenson Monday night. Target of Mrs. Sorenson's charge was Superintendent H. Z. Weibel of the Jefferson Elementary School district.

Mrs. Sorenson, 80 Garden Grove drive, told the board of trustees that Weibel had refused to rehire her for the position because of her "outside interests."

She declared that the superintendent had referred specifically to her co-chairmanship on the "What Should the Schools Aplish" committee and to her action in presenting a text book survey to the board. The survey, which tended to show that local children are reading texts below their class level, was termed "unethical" by Weibel, Mrs. Sorenson said.

"Retaliation"

"Although I've been accused of being the only parent who thinks our children are poor spellers and readers, it is not true," she argued. "The other are afraid to

Woman Charges Laxity On Dog Leash Ordinance

Daly City's one-man city pound, Charley Maschinot, was the object of a scathing attack by a local housewife Monday night.

Machinot, who single-handedly must patrol the entire city and tend to the animal population of some 15,000, "either lacks equipment or doesn't take his job seriously enough," said Shirley Walker, 101 East Vista.

Mrs. Walker had some remarks to make about other city officialdom, too.

She said she kept her dog on leash all the time, according to the city's recently enacted ordinance, but that the only time the animal ever got off the leash it was struck by Councilman Del Wilson's car. The animal wasn't badly hurt, however, she explained.

She also claimed that the boxer dog owned by Police Sgt. Dave Hansen was allowed to roam the streets at will without a leash.

She admitted that the poundman had "an enormous area to handle," but asked why he didn't pick up all the dogs allowed to run loose. "A policeman shouldn't be an exception," she chided the council.

She claimed that nearby Garwood street was a "dog's haven" and that it was a regular pandemonium of canines running unmolested.

"The poundman either needs more money or something," the irate woman declared.

City Manager Howard Stites told Mrs. Walker, "I think we can get more enforcement up there for you."

Mayor Joseph Verducci said the problem was merely one of stricter enforcement of the dog leash ordinance.

"If the ordinance is good enough for me, it's good enough for them," scolded Mrs. Walker.

Water Bill Couriers To Replace U.S. Mail

Special messengers, instead of the U. S. Mail, will deliver Daly City's water bills under a plan explained to the city council Friday by city controller Jerome Scharfman.

Scharfman said the plan will save the city some $1000 annually in postage.

Under his proposal, a youth will be hired at $1 an hour and will be expected to deliver 100 or more bills an hour.

The messenger would work three or four hours each day, delivering the same number of bills as the post office at half the price.

Scharfman said the system has worked successfully in other cities.

Building Slumps In June

Daly City building activity rose slightly last month over the May figure, but still lagged far behind the total for June, 1955.

Building Inspector George Hopman said 73 permits with a total valuation of $569,867 were taken out last month.

This topped by a considerable margin the May figure of $323,922 for 53 permits.

The total was only one third of that recorded in June, 1955, however, when 172 permits were taken out for a total valuation of $1,675,-034.

Traditionally a heavy building month, the slow-down this year is believed to have been caused by the threat of a carpenter's strike.

The 1954 June figure was also higher than last month's, although last month topped the figures for the same period in 1952 and 1953.

Breakdown of last month's total shows: new dwellings, 55, $521,707; dwelling alterations, 6, $4050; commercial, 1, $33,760; commercial alteration, 1, $5000; fire damage, 1, $3000; signs, 8, $2350.

speak up because of retaliation to their children."

Weibel, who sat writing notes while Mrs. Sorenson spoke, next took the stand.

"The statement is false," he declared.

The superintendent continued that he had anticipated this action by Mrs. Sorenson since they had talked about it for three hours on Friday. Weibel proceeded to pass out prepared statements to board members on why he had terminated Mrs. Sorenson's employ.

He argued first that Mrs. Sorenson had been late in returning an employment application, which fact Mrs. Sorenson affirmed. She said that she had misplaced the form and, furthermore, was under the impression that time limit on returning the application was set by the principal.

Three Days A Week

Weibel then argued that Mrs. Sorenson had been working only three days a week on Monday, Wednesday and Friday, and that she planned to continue working on these days. It was maintained by the superintendent that someone should be there every day to take care of the office.

Mrs. Sorenson, in disputing Weibel's statement, explained that the woman who had previously held the job and who was being rehired had also worked only three days a week.

"I doubt if that's true," the superintendent interjected.

"Are you calling my wife a liar?" shouted Mrs. Sorenson's husband, John.

"Other Matters"

When Weibel replied that he had only said he "doubted" that it was true, Sorenson implied that there were other matters better not brought out at a public meeting.

Mrs. Sorenson joined her husban, saying that it might be well for the board to investigate the situation with the teachers who were afraid to speak for themselves because of fear of receiving poor recommendations.

To the superintendent's statement that Miss Elizabeth Kennedy, Westlake school principal, had requested another woman and not Mrs. Sorenson as clerk, Mrs. Sorenson replied that Miss Kennedy had told her as late as 5:30 o'clock that afternoon that she wished Mrs. Sorenson to continue.

Last statement that Mrs. Sorenson was only planning to continue work for a month or six weeks was answered in the affirmative. The clerk explained, however, that Miss Kennedy had requested that she break in another clerk.

Midnight Visit

Following the meeting, Mrs. Sorenson and Trustees Katherine Mullen, Thomas Callen and Hartley Appleton took a past-midnight visit to Westlake school where they opened the records to see whether the first clerk had been employed on a three-day basis.

According to Chairman Mullen, the matter will be placed on the July 11 agenda.

DC Youth Placed On 60 Days Probation For Alleged Beating

A 24-year-old Daly City youth, accused of beating his younger brother on May 28, was sentenced yesterday to 10 days in the county jail suspended on condition he be placed on probation for a period of 60 days.

Judge Thomas L. Bocci of municipal court denied last week's motion that Richard Adam Stahl, 24, 275 Hillside boulevard, be allowed to switch his plea from guilty to not guilty.

Daly City police arrested Stahl on May 28 after his 14-year-old brother, Roger, appeared at the station and complained that he had been severely beaten by his elder brother. The youngster displayed heavy wounds, police said.

three different places, and in each case is spelled "Junipero Sera."

It's hard to believe, but almost half of the property taxes paid by Daly City residents to support the city of Daly City go to the PG&E.

In scrutinizing the Daly City budget Monday, councilmen observed that $45,000 had to be allocated to pay for power to operate water pumps, while another $46,000 will be spent for street lighting.

Since Daly City property taxes amount to only about $260,000 of the city's total budget, nearly half of this $91,000, is going to the utility company.

CHARLIE BOWLES, erstwhile newspaperman who now scribes publicity for HENRY DOELGER, went fishing during his vacation and last week wound up on the West Carson river in Alpine county, many hundreds of miles from here.

While casting along the Carson, he came across a fishing license apparently lost by an angler earlier in the day.

Owner of the license was R. A. MILLER, 135 Los Banos avenue, Daly City.

Carrie brought it all the way back to Daly City with him, then sent it by mail from the local post office.

When Miller sees the letter post marked Daly City, he'll probably wonder if he was dreaming when he thought he lost his fishing license.

Elementary school trustees were having a great time after the meeting last Wednesday night banging, pushing, bending and generally "testing" classroom furniture that competitive firms had delivered lengthy pitches on earlier in the evening.

Trustees were also analyzing the various sales approaches offered by the two firms and joking about the similarity of the two arguments.

Faces were red when the two salesmen walked in. They had been waiting right outside the door waiting to pick up their furniture samples.

off since Monday.

There was some hope among local builders that an eleventh hour offer might be made by employers today before the midnight deadline.

"Actually, we're not too far apart," one local builder said.

Contractors and home builders wage committee convened all day yesterday to study possibility of a new offer.

Bardellini, however, was pessimistic, stating that "No effort has been made to resume negotiations. It looks like we'll be out on strike Monday, unless they come with an offer that meets our request."

DC Cop Arrested On Petty Theft Charge

(Continued from Page 1)

Gross.

Sass was expected to surrender himself to Daly City police Thursday afternoon. He was represented in court in the morning by attorney John Putkey.

Judge Bocci set bail at $500 cash or $1000 bond and scheduled Tuesday as date for plea.

"Admit Theft"

Both men have admitted to the theft, according to Police Chief Roland Petrocchi.

Notice that Brohman, a three-year veteran of the force, might be involved in the crime first came to the attention of police when Sergeant Dean Wood spotted 13 cans of oil in the back seat of Brohman's car which was parked in front of the city hall.

A report that 64 cans of oil valued at $36 had been stolen from the Union Service station, 6989 Mission street, had been given Wood earlier. The sergeant also reported that he had seen Brohman's car near the scene of the crime.

Sass Implicated

After much investigation by local police, Sass also was implicated in the theft. It is assumed by investigating officers that Sass apparently discovered the oil first, took some and later told Brohman, who also helped himself.

The oil was kept in a case underneath the outside cash register at the station.

Chief Petrocchi Monday suspended both men from further duty pending further investigation. Specific charges are "failure to perform police duties" and "unofficerlike conduct."

The chief said today he has recommended that Brohman be permanently dismissed from the department due to the fact that he has admitted participation in the theft and because of his prior record.

Final decision as to Brohman's dismissal will be up to City Manager Howard Stites.

Investigation into the case by Lieutenant Roy Beecher, Inspector Bruno Conci and Officer John Walsh was given high praise today by Chief Petrocchi.

POUND MAN NOT A SUPER MAN

Daly City's pound has come in for much maligning lately, but the fault certainly isn't with the one man who is responsible for overseeing Daly City's widespread animal population.

Without a doubt, the city pound is the most neglected function of the city of Daly City. The animal shelter is antiquated, a commnuications system for the pound man is non-existent, and a staff of one person is absurdly inadequate for a city of this size.

The poundman can only work with the tools available to him, and can only devote the time for which he is compensated.

Stricter enforcement of the dog leash ordinance has been given as a solution to the problem of keeping stray animals off the streets. This solution is absolutely correct, but entirely impossible.

One man, lacking the proper facilities and equipment, can not and should not be expected to cope with the animal problems of a city of this size.

CLEANING UP BLIGHTED AREAS

The council's recently voiced policy to clean up blighted areas throughout the city and charge the owners for the service is a good one.

Vacant lots here provide some of the city's worst eyesores. It is especially unfair when many of the worst offenders are not even residents of Daly City.

No matter how meticulously a homeowner may care for his property, his whole neighborhood can be blighted by one unsightly area.

Besides the policy calling for elimination of debris and weeds on vacant property, the city has an ordinance which provides that abandoned autos may be hauled away. This ruling, however, has not been enforced with any consistency in the past year.

When it comes to keeping Daly City clean, we believe the city should utilize every measure available to insure an attractive community and protect the investments of property owners.

Even if it means getting tough.

Grant Annulment In Triangular Marriage Mix-up

A Colma bartender's wife was granted an annulment in Superior Judge Louis B. Dematteis court last week after charging that her husband still was married to a former wife.

Margaret Leahy of San Carlos won the annulment from Richard D. Leahy, 219 Station avenue, Colma. The judge also ruled that the woman could assume her maiden name of Margaret Raye.

Miss Raye originally filed a divorce suit May 19 alleging extreme cruelty. On June 6 she amended the complaint and asked an annulment, after she said she discovered that Leahy had another wife, Anna Marie Leahy, in San Francisco.

Further confusing the issue was the fact that Leahy had filed for an annulment against Anna Marie Leahy, alleging that she was not legally divorced when he married her.

According to court records, Anna Marie had obtained a divorce from her previous husband, but the final decree was not granted until November, 1955. Meanwhile, she married Leahy on July 28, 1955.

COPS ARREST SOUTH CITY WAITRESS ON DRUNK CHARGE HERE

A 39-year-old South San Francisco waitress was arersted on a drunk charge here Tuesday morning after an alert driver forced her auto over to the side of the road.

Later released on $50 bail and scheduled to appear in municipal court on Tuesday is Mrs. Mayetta Espinose of 105 East Campo drive, South San Francisco.

Notice of the woman first came to police when an unidentified citizen came to the station at 7 a.m. to report that he had forced an auto to the side of the road on Mission street. When officers arrived at the scene they said they found Mrs. Espinose, clad only in a blouse and a housecoat, passed out in the front seat.

She was badly cut and bruised and was taken to Junipero Serra hospital for treatment before being booked.

Cops List Local Man As Near Suicide Victim

A 38-year-old Westlake man failed at a suicide attempt early Wednesday morning, according to police. Near victim, who was being held at Community hospital, was Wallace Tingley, 81 Park Plaza drive, apartment 1.

Officers were called to Tingley's apartment at 3:20 a.m. by his roommate, Jack Broadbeck, who said that Tingley had seemed depressed for several weeks.

Tingley, although conscious when officers found him lying across a bed, passed out on the way to Junipero Serra hospital for emergency treatment.

Several bottles of pills, found in Tingley's room, were held as evidence by police.

JESD, SANITATION BOARDS CLOSE HOSTILITIES

Engineer C. L. White has been authorized by the Jefferson Elementary School district to formulate an 'equitable' plan for installation of a larger sewer line at Benjamin Franklin school, ending a hotly debated controversy between the school and North San Mateo County Sanitation districts.

At Monday's meeting of the sanitation board, White reported that the school district would concur with any plan offered by the sanitation district for mutual benefit of the community.

Previously school trustee Hartley Appleton had branded the sanitation district as "drunk with authority" for demanding a larger sewer pipe installation at Benjamin Franklin. Last Wednesday the two boards met jointly and authorized White to negotiate with school board chairman Michael Callan for settlement of the issue.

In other action Monday the sanitation directors:

1. Approved temporary use of a garbage disposal unit at Town & Country Markets to dispose of greens and poultry wastes.

2. Decided to make available some $5000 which will be matched with state funds of $5411 for a major capital improvements project during the coming fiscal year.

3. Amended social security agreement to include the directors.

EDGEMAR WOMAN IS HURT IN DC CRASH

A 30-year-old Edgemar woman was treated at Junipero Serra hospital Friday afternoon following an auto-bus collision in Daly City. Injured was Mrs. Kathryn Maksim, 301 Channing Way, Edgemar.

Police said the accident occurred when the car in which Mrs. Maksim was riding made a U-turn in front of a Greyhound bus, which subsequently crashed into the auto. Scene of the collision was Mission street just north of Market.

Driver of the car, Robert F. Goetz, 40, of Indiana, was cited on two counts of making an illegal turn and also for failure to stop at the scene of an accident.

Congressional Candidate Resigns Post To Campaign

James T. McKay of Daly City, Democratic Congressional candidate, announced today his plans to devote full time to the conduct of his election campaign through November.

He revealed that he has resigned as tax editor from Commerce Clearing House, Inc., effective last Saturday, June 30, so he could become a full time candidate for Congress.

"This will give me four months to daily tour the county and meet with the residents and civic bodies," McKay stated. "When I assume the office of congressman in January of 1957 I therefore will be able to represent our county in full measure and in every detail."

McKay, who did not cross-file, received some 32,000 votes in the June primary.

McKay declared that a major phase of his campaign will be based on tax issues.

"Most of our taxes are unfair and too complicated," he said.

McKay pointed out that one of the greatest needs of the country is a tax program that "will encourage the growth of small business."

DC COUPLE BOOKED ON DRUNK COUNTS AFTER TWO WARNINGS

A local couple were booked at the city jail on drunk charges early Wednesday morning after police first gave them two warnings.

Released on $10 bail each and scheduled to appear in municipal court on Tuseday are Thomas Nathaniel, 64, an engineer of 666 San Diego avenue, and his wife, Clyda, 58.

Police said they were first called to the Nathaniel residence at 8:47 p.m. Tuesday night by the landlord. The couple were told to quiet down, but a second complaint at 12 midnight brought about officers' return.

The couple were again offered a chance to stay out of jail when officers took them to a local motel. When they became "obnoxious" and "belligerent" at the motel they were charged with being drunk in a public place and booked, police said.

Broadmoorite Runs Into Parked Auto

Undetermined damage was done to a parked car early Sunday morning in Broadmoor when it was struck by a vehicle driven by Arthur G. Tivis, 916 Heather road.

The damaged auto, owned by George R. Whitney, was parked in front of the owner's home at 1824 Sweetwood drive.

Broadmoor police officer Charles Manning said Tivis left the scene of the accident, but there were no charges filed.

STREET LIGHT COSTS MAY FORCE SPECIAL ASSESSMENT DISTRICT

Ever increasing costs of providing power for street lighting may eventually force the city to work for formation of a special lighting maintenance district, City Manager Howard Stites told the council Monday.

The council is confronted with a budget of $49,000 for street lighting, $46,000 of which is paid to the PG&E for power.

Stites pointed out that the city is spending one-fifth of the money raised by local taxes, some $260,000, for street lighting.

Narrow Escape As Runaway Car Heads Straight For Cop

Police Sergeant Dean Wood narrowly escaped injury last Thursday when an auto suddenly went out of control on Mission street and headed straight toward him. Although the sergeant escaped to the safety of a nearby doorway, his squad car was damaged to the tune of $1000.

Wood said the driver, Marine Private Bobby G. Shepperd, 21, apparently fell asleep at the wheel while driving north on Mission street.

The sergeant had left his patrol car parked in the 600 block while he checked a motorcycle parked at the curb. Suddenly the marine's auto veered into the curb, narrowly missing Wood and sending the squad car against three parking meters and onto the sidewalk.

Shepperd, who was not hurt, was cited for driving without a license.

DC Youth Injured, Two Others Killed In "Hot Rod" Race

Two deaths and four injuries were the results of a "hot rod" race in the outer Mission district early Saturday morning. A Daly City youth, Alfred Lanzavecchia, 25, 198 East Market street, was reported as one of the injured.

San Francisco police said that a car driven by Lanzavecchia crashed into the rear of a souped-up auto while the two vehicles were racing on Mission street near the Foote avenue intersection.

Driver of the other car, Gerald Williamson, 21, of 188 Flournoy street, San Francisco, and his passenger, Jerome Miller, 21, of 763 Delta street, San Francisco, were killed instantly.

Williamson's car was hurled 96 feet, hit a pole and was halted by a steel billboard support. Lanzavecchia's auto skidded 326 feet and slammed into a police telephone box.

Lanzaveccia and the two passengers in his car, Roland Montalbano, 27, and Melvin Rivard, 24, both of San Francisco, were hospitalized following the crash.

Also injured was Air Force Sergeant Kenneth Miller, 29, who rushed from the sidelines of the accident to rip out burning wires in the Lanzavecchia auto, preventing a possible explosion. The sergeant was treated for serious hand burns.

FISCAL EXPERT TO STUDY SELMI JOB, COORDINATE FUNDS

An allocation of $1000 for a special auditor-consultant to study the job status of City Treasurer Paul Selmi and to coordinate the city's fiscal operations was approved by the city council Monday night.

City Manager Howard Stites said that Selmi had agreed to abide by any recommendation given by the consultant, Minor Phelps, relative to Selmi's being allowed services of a city-paid assistant. The council also agreed to act according to Phelp's recommendation on Selmi's status.

Phelps is recognized as an expert in his field, and will do much to coordinating the city's fiscal matters, according to the manager.

GARBAGE FIRM GETS ULTIMATUM FROM SM COUNTY

County board of supervisors gave Daly City Scavenger Co. an ultimatum Tuesday—secure a fill and cover dump site within 90 days.

Al Sereni, president of the local scavenger company, was called before the board for violation of his use permit, which stipulates that all garbage must be disposed of by the fill and cover method. Sereni is dumping on lands east of Skyline which are owned by Developer Chris McKeon.

McKeon will not allow fill and cover on the land, because he plans to subdivide the property. Sereni's lease with McKeon is subject to revocation on 30 days notice.

Daly City Scavenger Co., along with garbage companies of South San Francisco and San Bruno, are scheduled to appear before the board next Tuesday with their proposal to operate a fill and cover dump site west of Junipero Serra boulevard near Winston Manor subdivision.

The scavengers proposal is expected to face opposition from residents of Winston Manor subdivision. Also on the agenda for next Tuesday is presentation of the Allen report, which will deal with feasibility of operating a dump site at the proposed location.

LOCKOUTS, HOUSE BURNING NOT F.D. JOB, SAYS STITES

Rescuing persons "locked out" of their homes and burning down houses on private property are probably not under the jurisdiction of a fire department, City Manager Howard Stites told the city council Monday.

Commenting on the fact that the department answers as many as 300 lockouts in a month, Stites said he didn't think this was one of the duties of firemen.

He also criticized the action of the department in burning down the gutted James Walton home at 108 Knowles avenue last month. He revealed that a claim for $600 had been filed against the city by owner of an adjoining house who claims the flames damaged his property.

The Walton home, damaged beyond repair in a recent fire, was burned down to make way for contractors who will erect a new home for the Walton family.

While on the subject of the fire department budget Monday, the council also learned that the volunteer fire department has been charging the county for use of Daly City buildings as polling places.

"Let's see that this doesn't happen again," Mayor Joseph Verducci told Stites.

The council plans to meet jointly with volunteer firemen to discuss the possible elimination of $500 city grant made each year to the volunteer group and to discuss the volunteers annual $6000 budget.

LAY FOUNDATIONS FOR NEW WALTON HOME ON JULY 14

Volunteer workers will begin laying foundations on July 14 for a new home for the James Walton family, it was announced today by Peter Markovich, spokesman for a committee to aid the family.

The Waltons were burned out of their home, 108 Knowles avenue, on May 15. They carried no insurance.

Only July 21 and 22, weekend following the foundation laying, 20 carpenters and other helpers will put up the frame for the new house. Supervising the building will be Erwin Smith, Henry Doelger construction superintendent.

Meanwhile, while plans were going ahead for the new home, a claim for $641 against the city was filed by the Waltons' next door neighbor, Betty Brush, 101 Los Banos avenue. The claim charges that smoke damage to their home resulted when the fire department burned the Walton residence following the original blaze.

Fire Chief Elmer Kennedy today stated that damage to the Brush home was the result of the original fire and not of the controlled fire drill. He added that firemen took eight hours levelling the house to the ground and took great care in the burning.

Decision to begin construction on the Walton residence was made Tuesday night at a meeting of the following committee members: Kennedy, Markovich, Smith, William Kennedy, Dave Cavaratta, George Hopman, Jack Fields and Fred Bertetta.

NEW PARKING FINE PLAN SLATED SOON

Daly City will soon launch a new plan for collecting overtime parking penalties.

Under the new system, according to City Manager Howard Stites, police will leave overtime parkers a printed envelope instead of a citation.

The motorist will enclose the $1 overtime penalty in the envelope and forward it by mail, thus avoiding a trip to police station or municipal court in South San Francisco.

No citation will be made against the motorist unless he fails to pay the parking penalty.

Till-Tappers Use 'Fire' Decoy To Loot Colma Store

Drive-In Cleaners, 992 Hillside boulevard, Colma, was among five cleaning establishments robbed by two thugs who employed a phony "children are playing with matches" gimmick to lure their victims out of the office.

The Colma theft, which occurred last Thursday, began when clerk Sylvia Scott waited on a youth who asked change for 50 cents and inquired about having a sweater repaired.

A second youth then entered the store, saying that children were playing with matches in the back of the shop. This bandit went outside with Mrs. Scott while his companion apparently rifled the till for $45.

Mrs. Scott did not discover the money missing until two hours later.

Same mode of operation was employed in the other four thefts, all of which occurred in the Northern Peninsula area.

DEBATE SALARY RAISE, AIDE FOR CITY ATTORNEY

Whether to raise City Attorney Frank Blum's salary to $6000 or maintain the present $5000 figure and hire an assistant to do "leg work" for Blum was debated by the city council Monday night.

Mayor Joseph Verducci held that $6000 was too high for a part-time counselor, and suggested that a lot of Blum's work could be turned over to a young attorney.

Councilman Paul Hupf objected to the city's hiring the assistant, holding that the man should be on Blum's payroll to "maintain the line of responsibility."

Under budget studied Monday night by the council, Blum would receive $6000, while another $2500 would be allocated for his professional services in codifying city ordinances.

The fact that Blum had fallen behind in preparation of important ordinances, was cited by Verducci as an argument for hiring an assistant.

The council will meet with Blum before final adoption of the attorney's budget.

Mission Building Is Declared Nuisance

A building at 6732 Mission street has been declared a public nuisance by city officials and a notice to abate the property has been sent to the caretaker, Venita Last, administratrix of the estate of owner Theodore P. Bahr, who died last fall.

The building has been partly vacant since Bahr's death, City Manager Howard Stites said, and is termed a nuisance by neighbors.

In the notice, Mrs. Last is ordered to appear at Monday's council meeting to show cause why the building should not be condemned as a public nuisance.

Form St. Francis Retreat Group Here

An organization committee comprising men in this area who have made retreats at St. Francis Retreat, San Juan Bautista, attended a dinner meeting at the Southern restaurant last week to organize the St. Francis Retreat association.

Elected to head the newly formed group were Attorney Thomas Gallen, president; William Whalen, vice president; Richard Liberty, secretary; and Joseph Huysentruyt, treasurer.

Purpose of the association, according to President Gallen, is to foster the lay retreat movement.

Father Augustine Hobrecht, Retreat Master from San Juan Bautista, gave his blessings to the members. Entertainment was provided by the famed Accordionaires from the American Academy of Music under the direction of Rick Soalano.

REV. MARTING TAKES POST AS SCHOOL DEAN

The Reverend Louis C. Marting, pastor of Hope Lutheran church, is absent from his parish during this week while he is serving as Dean of a Lutheran service volunteer school and lecturer on worship in Red Lodge, Montana.

LVS schools, as they are called, are part of the program of the International Walther league, youth organization of the Lutheran Church—Missouri Synod. Over 3000 young people will attend 60 of these schools held throughout the nation during the summer. Starting with two schools in 1944, their number has steadily increased each year.

Pastors and Christian youth leaders volunteer their time to serve as resource leaders at these schools in these various phases of youth work: worship, Bible study, recreation, group work, society administration, officer training and related subjects.

Pastor Marting will return to this area next Saturday, in time to conduct services next Sunday at the new Hope Lutheran church, Old San Pedro road, Colma. The subject of his sermon will be "The First Juvenile Delinquent" — a character study of two brothers and their attitudes which led one to a rather unhappy life.

Little Miss Daly City Leaves For Hollywood Fame, Fortune

By Mona Baker
TV & Radio Columnist

Her name in bright lights . . . . fame . . . . movie and television contracts may await talented Denise Petty, "Little Miss Daly City" who leaves with her family this week for Hollywood. Daughter of Mr. and Mrs. Jack Petty, 70 Oaklawn, Westlake, Denise was selected "Little Miss Daly City" last August to reign over "David's Parade."

Already an experienced television actress at four years of age, the talented little girl has played dramatic parts in two well-known CBS television programs, "Navy Log" and "Lineup" seen over KPIX. Now, according to Ruth Dwyer, owner of the famous San Francisco studios that bear her name, Denise is ready for Hollywood.

Last week we watched the bright little girl in a program which was staged at the Little Theater in the Ruth Dwyer Studios. In a dainty blue bonnet and fluffy dress Denise portrayed the doll in the skit "The Doll and the Fairy." Possessing all the poise of an adult the charming youngster played her part like a seasoned actress.

Denise has been a student at the Ruth Dwyer Coaching Center for the past year. Heading one of the leading dramatic schools in the west, Ruth Dwyer, who was a famous star in silent screen days, is extremely well qualified to recognize talent when she sees it. She does the casting in San Francisco for all Hollywood productions including movies. She also supplies talent for stage plays which include parts in the delightful play, "Anniversary Waltz" which has had such a long and successful run at the Alcazar.

Miss Dwyer is confident that more success awaits Denise in Hollywood. In answer to our question, Miss Dwyer said "You can see that she is an actress right now. The child is extremely beautiful and in addition she is quite smart. A pretty face is just an introduction."

So from "Little Miss Daly City" to fame in Hollywood! One of these days as we watch Denise star in her first movie, we all can feel justly proud that she once wore the crown of "Little Miss Daly City."

SALVATION ARMY ISSUES CALL FOR CLOTHING DONATIONS

Clothing is still the most needed item at The Salvation Army Social Service center in San Francisco. Gifts of furniture, household appliances, mattresses, rugs plumbing fixtures, rags and other articles all help in their work therapy program for the handicapped, but clothing is the most helpful of all gifts received at the center.

Captain George Duplain, who supervises the Salvation Army Social Service center where gifts of unused articles from homes are received, states that these articles are the means of the work therapy program carried on in the center. This is an entirely self supporting department. Men from all over the state and various sections of the country are served at the social service center.

Wave Of Thefts Admitted By 14-Year-Old Boys

A wave of car thefts during the past month were solved Tuesday morning with the apprehension of two 14-year-old Broadmoor youths.

Broadmoor Police Officer Merril Baxley, who picked up the boys at their homes yesterday, said they admitted to stealing nine cars since June 5. In most instances they shorted the ignition to start the car, took it for a short joy ride and left it not far from the scene of the theft.

Their apprehension almost completely cleared up the series of car thfts that has plagued Daly City and Broadmoor areas in recent weeks.

Police Chief Ray Savage said both boys are from good families. "They were very cooperative on questioning and couldn't seem to explain their actions. They said they were ashamed of themselves."

The boys, both students at Jefferson High school, were released to their parents pending hearing before the juvenile court.

MATURITIES: Said bonds mature serially in consecutive numerical order from lower to higher (without option of prior redemption) as follows:

The lowest net interest cost shall be computed on a 360-day year basis. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. The cost of printing the bonds will be borne by the district.

FORM OF BID: All bids must be for not less than all of the bonds hereby offered for sale, and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check, must be enclosed in a sealed envelope addressed to the Board of Supervisors of said County, and endorsed "Proposal for School Bonds of JEFFERSON ELEMENTARY School District, of San Mateo County."

BID CHECK: With each bid must be submitted a certified check or cashier's check for $5,000.00 drawn on a bank or trust company transacting business in the State of California, payable to the order of the County Treasurer, to secure said School District from any loss resulting from the failure of the bidder to comply with the terms of his bid. In addition bidders are requested (but not required) to supply an estimate of the total net interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the District. Checks of the unsuccessful bidders will be returned by the County Clerk by mail, upon the award of the bonds. No interest will be paid upon deposit made by the successful bidder.

There is no controversy or litigation pending or threatened concerning the validity of the above issue, the corporate existence of said District, or the title of the officers to their respective offices.

SAFETY NEWS

Drive in haste, repent in leisure.

This new version of an old proverb was quoted today by Traffic Inspector Henry Sundermann of the Daly City police department.

Anyone who is unimpressed by the "drive in haste, repent in leisure" warning should pay a visit to some hospitals.

There are many patients within the walls who are suffering the results of traffic accidents, many of which occurred months ago. A good proportion of these people would not be suffering now if they had not been in too great a hurry to get somewhere.

The inspector cited National Safety Council figures showing that exceeding the speed limit or driving too fast for conditions is a factor in over one-third of the fatal traffic accidents. He explained that this does not necessarily mean breakneck speed, it means any speed that is unsafe for the condition of the road, the weather, the vehicle or the driver.

"What may be a reasonable speed on a certain road on a clear day may be altogether too fast on the same road if the weather is rainy or foggy," he said. "And a speed that is safe when the driver is alert and physically fit may be too fast when he is fatigued or suffering from some ailment."

Sundermann gave the following six points as a guide to drivers in determining safe speeds:

1. Drive at a speed that will enable you to stop in the assured clear distance ahead. 2. Slow down before you get to curves and intersections. 3. At night, drive at the speed which will let you stop within your headlight range. 4. Drive with traffic. You are probably going too fast if you are passing many cars, too slow if many cars are passing you. 5. When children are playing, be able to stop in a car length or less. 6. When you're tired, or inattentive, stop.

LOUIS FRANCIS TAKES OATH AS ASSEMBLYMAN

Governor Goodwin J. Knight congratulated Louis Francis from San Mateo County's 25th Assembly district following his swearing into office by Assistant Secretary of State Charles J. Hagerty. The ceremonies took place in the Governor's office in Sacramento Friday morning and were witnessed by Assemblyman Francis' wife Alice and mother Mrs. Marie Francis.

Francis, only Republican to win in the four special elections held for the State Assembly on June 5, will hold office until January, filling out the unexpired term of Daniel Creedon, former San Mateo mayor who resigned in January 1955 to take a statewide lobbying position.

Francis has indicated that he is ready to go to work for the people of the 25th district and said this week following his return from Sacramento:

"I intend to be an active, conscientious and working Assemblyman from this time forward. I want to hear of any problems arising among any of the people, cities or groups in this 25th district whereby I can be of any help or service in my official position in Sacramento.

"This summer and fall, I will be actively working on several interim assembly committees, and I will always be available and anxious to hear suggestions and comments from any of my 25th district constituents."

Francis was assigned room 3195 in the Capitol building directly across the hall from Luther Lincoln, speaker of the Assembly.

GOVERNOR Goodwin J. Knight is shown congratulating Louis Francis, following his swearing into office as San Mateo county's 25th district Assemblyman. Ceremonies took place in the governor's office Friday morning.

New Pisa Edges Shell 9 For Double Weekend Win

Winning their first league game, 25-9, at Balboa Park Saturday, the Dante's New Pisa Juniors played tough defensive ball against the Johnny Shell Juniors on Sunday at Marchbanks to come out on top, 5-4.

Facing the best opposition to date, the Lowell Creighton kids put together three hits, a stolen base and an error for a fast two run first inning. The Johnny Shells took advantage of an error in the first and another in the second to tie the game up. Georgie Claus got his first hit in the third, and was brought in by Vic Kulik with some heads up base running.

New Pisa was not behind again, scoring one in the fourth on Richy Morales home run, and another in the seventh on Claus' two bagger and another RBI by Kulik. This insurance run was needed, because Russell Kunkle hit cleanly in the bottom of the seventh and stole second, moved to third on Bersie's single. Don Kunkle, hitting star of the Shells, pounded a long double to center to score both runners, bringing the Shell's close with two out.

Billy Kane, with the tieing run on second, faced Campbell, Johnny Sheli's big first baseman, who grounded to Rich Morales, who threw to Barry Krohn for his 13th put out. Kane caught two flies and handled six clean chances on the ground. In addition to fielding his position well, he struck out Lara with two on base and walked only three. He was touched for eight hits.

Claus continued to pound the ball, getting four for five on Saturday, and coming back with three for four on Sunday, scoring two runs. Morales also hit three for four, Kulik two for three, and Jones, Krohn and Hynes each singled on Sunday. Mikie Lanthier made a fine running catch in the sixth.

New Pisa will be traveling for a couple of weeks, meeting Excelsior at Balboa next Saturday at 11 a.m., and playing away from Marchbanks for the next two Sundays. Jim Kollmann, second string catcher, entered French hospital last Monday for an appendectomy. Billy Ludwigsen suffered a broken wrist, and both lads will be lost to the team for a month.

Lions To Honor Hannah At Wednesday Luncheon

Daly City-Colma Lions club will honor Stanford Hannah, who retired July 1 as Jefferson Union High school superintendent, at a luncheon on Wednesday.

Special guests who will be present at the event are Edward Morgan, newly-named superintendent; County Superintendent James Tormey and the Jefferson board of trustees.

The luncheon will begin at 12 noon at the Colonial restaurant.

COLMA WALLOPED, 33-2, BY VILLAGE SOFTBALL NINE

Garden Village All-Stars belted Colma playground youngsters, 33-2, in a one-sided softball game played Thursday at the Village school playfield.

The game, part of the 10-week summer recreation program at the playground, saw Bill and Bruce Hix put in stellar performances with four hits apiece in six trips to the plate. Others who contributed to the village squad's victory were Dick South, Jim Heick, Rickey Landis, Jean Luttringer, David James, Jerry Manis, Ronnie Krowetz, Ron Rose, Tom McCue, Frank Dykes and Jerry Dorne.

Thursday's battle paved the way for organization of a softball league at the playground. Games will be played Tuesday and Thursday mornings, and all interested youngsters are asked to contact Bob Lincoln, staff supervisor, at the playground. Softball and basketball schools are held Monday and Wednesday mornings at 10:30 o'clock on the playfield.

GV Summer Rec Program Enters Third Busy Week

Garden Village's summer recreation program, sponsored by the Jefferson Elementary school district in cooperation with James L. Snell PTA and local home owners' associations, swings into its third week Monday with more than 600 youngsters registered and a daily average of 550 attending the various sessions.

Directed by Elman Rose, the summer program has received "excellent support" from area parents who have volunteered to supervise several of the activities.

Last Friday, 130 youngsters and 20 parents rolled away in a 20-car caravan to spend part of the day at Fleishhacker Zoo. The outstanding event was the first in a series of special events scheduled as part of the summer program.

Registration for activities will be taken throughout the summer and children may join anytime.

WESTLAKE ROCKETS TRYOUTS CONTINUE

Youngsters interested in trying out for the Westlake Rockets hardball team, defending Peninsula Junior league champions, should contact either Coach Rich Watso or Rick Warne at Marchbanks park any afternoon after 2 p.m. for a tryout.

Twenty one players turned out for the club last week, most of them newcomers.

Coming back from last year's squad are Ross Holmgren and Ed Berg, both top hitters and fielders.

New to the club this year are: Mike Kennedy, John Margaronik, Roy Roberts, Hal Leininger, Ron Monti, Sabin Eastman, Ron Williams, John Junglas, Ross Holmgren, J. B. Berry, Doug King, Mike Wells, Balke Brunson, Larry Kane, Skip Crudo, Rod Stoller, Art Banos, Ed Berg, Art Dougherty and Ron Calcagno.

DEFENDING CHAMP ROCKETS BOW IN LEAGUE OPENER

The defending champion Westlake Rockets lost a tough 8-6 decision to the powerful Millbrae Lions in the opening game of the Peninsula Junior league Saturday.

The clutch pitching of Millbrae's talented Tom Edwards was chiefly responsible for the Rocket defeat. Inning after inning the Westlakers, paced by the heavy hitting of Jim Berry and Mike Wells, threatened to score only to be thwarted by Edwards come-through pitching performance. In all Edwards struck out 11 Rocket batsmen while the Westlakers left an equal number stranded on base.

Ronnie Williams, the starting Rocket hurler, allowed only four safeties but was pleagued by occasional wildness.

The local lads had their biggest inning in the fifth when they erupted for five runs. A series of walks, a pair of Millbrae miscues and Berry's long double to left were responsible for the Rocket outburst.

The Westlake nine take on Burlingame Optimists at the latter's field this Saturday at 10 a.m.

'Veteran' Hix Paces BYA Upset Victory Over Big Rec Nine

Batting and pitching at a torrid pace, nine-year-old Bill Hix led BYA Midgets hardball nine to an 11-8 upset over Big Rec Midgets Saturday on the latter's grounds.

Hix struck out eight batters, while issuing only three walks. He was a tiger at the plate, swatting two doubles and a single.

Others hitting safely were John Vocke, Dick South, Bill Caster, Terry Dorn and Cesar Rivera. A. Ward was outstanding in the outfield.

The victory stopped a two-game streak for the greenhorn BYA team, made up of graduate from Cub Scout softball. The Midgets dropped their first encounter to South Sunset, 5-4, and were shut out by Portola Cubs, 3-0. Hix is the only "veteran" on the club.

This Saturday the BYA nine will meet South Sunset again at Balboa No. 1, starting at 10:30 a.m.

Arts, Crafts Win Interest Of Kids

First week of the Daly City recreation department's arts and crafts provided varied experiences in the art media.

Among the outstanding works were those prepared by Douglas Becker, Shirley Asaro and Shirley Ertola.

Wood burning commanded interest of many of the children. Denny Cosgrove, Paul Majouraw, Alex Malone and George Ellis contributed some of the best work.

Children above kindergarten age are eligible for the classes and may contact Jim Hough, Dorothy Chase or Roberta Taylor for information.

STUDY REC SKED AT GARDEN VILLAGE

Here's a message from Elman Rose, playground director for the Garden Village recreation program, to Broadmoor and Garden Village tween-agers.

Would you like to see a summer schedule of activities for your age group? If you do, attend the discussion meeting to be held in room 1 of Garden Village school, this Friday at 2 p.m.

Rose announced this week that attempts will be made to set up special activities for those in the 11 to 13 age group. Much will depend, Rose said, on response of youngsters to his invitation to Friday's meeting.

Plans call for setting up an arts and crafts program, record hour featuring pop music, social and folk dancing, table and outdoor games, a library featuring books and magazines for tweensters and a special clubroom for the youngsters.

Rec Fun Draws Children, Parents Alike

A sizzling summer day initiated the first special event of the Daly City recreation department at Marchbanks park last week.

Hundreds of children and parents alike turned out in brief summer attire and enjoyed cold drinks and iced watermelon.

Children from Marchbanks, Lincoln and Edgewood parks joined in dancing and musical chairs. Bobbie and Donnie Smith, Judy Crudo, Georgie Stabeal and Jerry Rasmussen proved adept at the latter. In the running events, Christine Kennedy swept honors, while Blake Brunson topped the boys in his class.

Folk Dancing

Every Tuesday from 2 to 3 p.m. is folk dancing day at Marchbanks, and all ages are welcome. Among the polka fans are Pat Kennedy, Ginny Schroeder and Ellen Clemo. Music is provided by Johathan Tanango.

The community center program officially opened Monday. Mornings are reserved for elementary school students, afternoons for high schoolers.

Morning activities include organized games, tetherball, netball, badminton, tumbling and basketball. In the afternoon the teenagers enjoy basketball, co-ed volleyball and badminton, wrestling and boxing classes.

At Lincoln park, Craig Garcia won the recent tetherball tournament, downing Jim Pierce, Gary Ciolino and Donnie Iodence. Among the smaller children competing in a color contest are Jimmie Campbell and Tommie McEvoy.

Little Bakers

The current craze at Edgewood is also picture coloring and recreation director Terry Steele is planning a contest. Last week Karl Kettler of Relish Bakery acted as judge for a baking contest. Winners were, in order: Diane Caruso, Janet Pope, Pat De Bernardi, Stanley White, Sandra Montoya and Orlinda Martinez. Prizes were donated by Lee's Drugs.

Special events in the Daly City recreation program include movies three days a week at the local centers.

During the first two weeks a record 1300 children and adults attended the free movies.

LINHARES, HART VIE AGAINST 150 IN PUBLINX GOLF

A policeman and a milkman from Daly City will be among the 150 sectional qualifiers vieing for a spot in the National Public Links golf tournament which starts Monday at Harding park.

Art Linhares, Daly City cop, and Roy Hart, milk dispenser, will be battling Monday and Tuesday to be among the low 64 shooters who will start match play Wednesday. Finals are scheduled for Saturday.

The Daly City duo qualified in sectional competition last month, but under new rules, the area winners are whittled down to 64 at a second qualifying round.

Bob Silvestri, 52 state amateur champ, of Daly City, who won a spot as an alternate in the first qualifying round, may still make the tourney as Northern California will probably be asked to fill with five or six alternates.

Rhythm Band To Augment 'Quiet' Rec

A rhythm band composed of youngsters attending the 10-week summer recreation program jointly sponsored by the Jefferson Elementary school district, the James L. Snell PTA, and local home owners' associations at Garden Village school will be organized Thursday of this week at 2:30 o'clock.

Mrs. Nancy Brown, staff supervisor in charge of this phase of the summer program, announced that the rhythm band will augment the schedule of "quiet" activities now available at the school.
